2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

As a resident of Tega Cay I find the proposed water and sewer increase to be an outrage. Why don't we put the burden of these extra dollars on the bigger business's of Tega Cay for example..... Walmart. Seems like years ago when we voted on Walmart our taxes were suppose to go down.....what happened?

Also why don't we find a cheaper permanent solution to this problem instead of just keep on raising the rates? What about the well houses that are not in use anymore and the wastewater treatment plants that aren't kept up? There has to be a solution that is feasible for everyone.

There are a lot of people that can't afford to pay this kind of premium for water service.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
